The Prophet - Kahlil Gibran

Your friend is your needs answered.
He is your board and your fireside.
For you come to him with your hunger, and
you seek him for peace.
When your friend speaks his mind you fear
not the "nay" in your own mind, nor
do you withhold the "ay."
And when he is silent your heart ceases
not to listen to his heart;
For without words, in friendship, all thoughts,
all desires, all expectations are born and
shared, with joy that is unacclaimed.
When you part from your friend, you grieve not;
For that which you love most in him may be
clearer in his absence, as the mountain
to the climber is clearer from the plain.
And let there be no purpose in friendship
save the deepening of the spirit.
For love that seeks aught but the disclosure
of its own mystery is not love but a net
cast forth: and only the unprofitable is caught.
And let your best be for your friend.
For what is your friend that you should seek
him with hours to kill?
Seek him always with hours to live.
For it is his to fill your need, but not your
emptiness.
And in the sweetness of friendship let there be
laughter, and sharing of pleasures.
For in the dew of little things the heart finds
its morning and is refreshed.

OFFICE OF THE PRESIDENT

This note of congratulations is being written just at the turn of the calendar from the Sixties to the Seventies. And it compels one to glance back at what is known as the turbulent Sixties - a remarkable decade. You commenced your studies with us toward its end but nevertheless embody the spirit that resided in college students of this era. You are inquisitive, compassionate, demanding, bright as a dime and concerned not only with your community but the world!

We at Mount Wachusett Community College could only hone these attributes as our resources allowed. But we are quite proud of you - for what you brought with you to the College and what you are taking with you as you leave. For we see quite clearly that we have changed and we see society changing through your leadership. You have a marvelous contribution to make, one that is profoundly needed, and one that is truly positive.

The road will not always be smooth, but it would be a privilege if we could serve with you in the pursuit of your causes. Let us help. Come back and visit the "Mount" often, and maintain this relationship.

Sincerely yours,

Arthur F. Haley

DEAN OF STUDENTS

May 5, 1970

Dear Graduates:

This Yearbook will document another good year in the story of the college. It is the fifth yeer of publication along with our fifth graduating class.

The students who worked on the early issues are now gone from our campus, leaving a heritage of plaesent memories that are evokad each time I open one of the books. Many of our former graduates return to renew acquaintances and to see the progress as we expand and develop. A yearbook becomes more treasured as the years go by and help to identify familiar faces no longer on the daily scene.

The Class of 1970 has been a good one, and the two year period marked by achievement in the classroom, on the playing fields end courts, and much progress toward our new campus. I trust that the future will bring to each of you many of God's blessings and benefits, and that in some small way we have made a contribution to your future.

Come back to see us often. Support your Alumni Association. Bon voyage as you navigate the rapids of lifes stream.

Sincerely,

John P. Hogan

Appreciation

You have given us the encouragement
When everyone else has turned aside;
You have made each and everyone of us feel wanted,
If only for a brief moment.
Yes, you are one who has given us
the hope to persevere.
So we, in appreciation, say
"Thank you, Mr. Goldfader"
